## T W Design Joins the National Association of Professional Women

Dallas, TX June 27, 2008 – T W Design, a certified Women's Business Enterprise, has joined the National Association of Professional Women. Headquartered in New York, the NAPW is the nation's fastest growing women's organization.

Involvement in the NAPW is an important part of T W Design's continued commitment to sourcing qualified and diversified vendor teams and promoting an equal opportunity working environment.

###

T W Design specializes in designing, building and installing dynamic themed and interactive marketing experiences for a wide range of applications including tradeshow exhibits, theme park attractions, corporate showrooms, museums, model trains and more. For additional information, contact Aaron Fox at (214) 634-2965 or visit [www.twdesign.com](http://www.twdesign.com)
